RULES FOR THE ADMINISTRATION OF BACKWARD SCHOLARSHIPS.

The following rules regarding the constitution and working of the *Ad-Hoc* Scholarship Committees for the administration of the Backward Class Scholarships of the III and IV Grades are published for general information :—

I. The Backward Class Scholarships will be administered by *Ad-Hoc* Scholarship Committees which are constituted once every two years. A vacancy occurring in any of these Committees within this period, owing either to the death of a member, or to his absence from three consecutive meetings or to any other cause, shall be filled up by the Director.

Each Committee shall consist of a Chairman and a Secretary with three or more members who will ordinarily be chosen from the Backward Classes. Three-fifths of the members of Committee will form a QUORUM.

II. The functions of the Committees shall be as follows :—

A. Taluk Scholarship Committees.—

(i) to award on grounds of poverty and satisfactory progress as many scholarships of the IV Grade as are provisionally allotted to a particular taluk as shown in Appendix III on or before the date fixed in the programme ;

(ii) to order transfers of scholarships from one school to another ;

(iii) on receipt of an unsatisfactory report regarding any scholarship-holder, to reduce or cancel such scholarships for the rest of the year ; and

(iv) to fill up scholarships falling vacant.

B. District Scholarship Committees.—

To award on grounds of poverty and satisfactory progress as many scholarships of the III Grade as are provisionally allotted to a particular District as shown in Appendix III on or before the date fixed in the programme.

III. The duties of the Secretaries of the *Ad-Hoc* Scholarship Committees will be as follows :—

(i) To notify all recognised schools regarding the last date for the receipt of applications for scholarships.

(ii) To issue necessary application forms to Head Masters of Schools for supply to intending candidates.

(iii) To keep a tabulated record of all applications received.

(iv) To fix in consultation with the Chairman the date and hour of meetings, to notify the members regarding the time and place of meetings, to make all necessary arrangements for the same, and to issue necessary instruction to the Post Office regarding the delivery of letters, etc., addressed merely to the designation of the Chairman or the Secretary of the *Ad-Hoc* Scholarship Committee. In fixing the date of meetings, sufficient notice (about 15 days) should be given to the members.

(v) To maintain, in a bound book, a record of the Minutes of each meeting.

(vi) To intimate the awards by post cards to the parents of the pupils concerned as well as to the Head Masters of Schools, in addition to publishing the list of awards in the Gazette. (Awards of both grades will be published by the Secretary, District *Ad-Hoc* Committee.)

(vii) To report the number of unutilised scholarships allotted to any community in any grade to the Director of Public Instruction immediately after the awards are made; and

(viii) To draft and forward an annual report in the prescribed form as per Appendix V on the working of the scheme immediately after the second award is made. The Secretaries of the Taluk *Ad-Hoc* Committees will submit their reports to the Secretaries of the District *Ad-Hoc* Committees *before the end of December each year.* The Secretaries of the District *Ad-Hoc* Committees will consolidate such reports and submit them to the Director of Public Instruction along with their reports on the working of the District Committees *before the end of January each year.*

(All applications and records pertaining to the award of scholarships of the IV Grade should be submitted to the Secretaries of the District *Ad-Hoc* Committees who will preserve them arranged by Taluks. Applications and records relating to the awards of the III Grade will also be preserved by the Secretaries concerned).

NOTE.

1. All applications for scholarships of the different grades should be made on or before the date specified to the awarding authorities concerned on printed forms, copies of which may be obtained from the Schools concerned. If printed forms are not available, manuscript forms may be used.

2. All these scholarships are tenable for a period of ten months from the date of re-opening of the schools after the summer holidays, subject to satisfactory conduct, attendance and progress.

3. The rates of scholarships awarded to failed candidates should invariably be three-fourths of the sanctioned scale.

4. *The Secretaries of the District* Ad-Hoc *Committees* in consultation with the Chairmen are competent to deal with questions of—

(*a*) transfer of scholarships from one school to another when a student who is awarded a scholarship leaves one school and joins another;

(*b*) cancellation of scholarships on receipt of unsatisfactory reports from the Heads of Institutions as regards the progress, conduct or attendance of students to whom scholarships have been awarded; and

(*c*) Filling up scholarships falling vacant owing to such reasons as the death of the scholar or discontinuance of his studies.

5. *Head Masters of High Schools* may on the results of the First Terminal or Selection Examination or for any other valid reason reduce the scholarships of undeserving candidates as per the Director of Public Instruction's Circular No. 16 of 28-29, dated 8th April 1929 and Circular No. 25 of 29-30, dated 25th April 1930. In deserving cases, such reduced scholarships may also be restored by them but this should not be done later than the end of January every year. Cases relating to the above should be reported immediately to the Director of Public Instruction in the Administration and Financial Branches.

6. The Secretary, Taluk *Ad-Hoc* Committee, should report all transfers, reductions and cancellation of awards of the IV Grade to the Secretary, District *Ad-Hoc* Committee, and to the Director of Public Instruction (Administration and Financial Branches). The Secretary, District *Ad-Hoc* Committee, should report cases relating to the III Grade to the Director of Public Instruction (Administration and Financial Branches).

7. The instructions given above regarding transfers, cancellations, reductions and restorations will apply also to the scholarships awarded by the Director of Public Instruction from Lapses and Reserves.

IV. The *functions of the Director* in regard to these scholarships shall be as follows:—

Supervision :—

(*a*) To arrange for the printing and the distribution of all the necessary forms to the Secretaries of the District and Taluk Scholarship Committees.

(*b*) To allot scholarships of the various grades among the several districts and taluks and among the various communities in the State in accordance with the principles laid down by Government from time to time, and to collect and compile all statistics necessary for such allotment.

(*c*) To see that the scholarships of the various grades are awarded in time by the Taluk or District Committees, as the case may be, or, in the case of lapses under any community in any district, to award such lapsed scholarships to the candidates who belong to that community and are recommended by any other Taluk or District Scholarship Committee. The Director reserves the right of cancellation of awards where it is clearly evident that there has been irregularity or where it is established that a candidate is well to do.

(*d*) To reappropriate, and if thought desirable, to re-allot, amounts which have lapsed in any district area in accordance with the rules prescribed in para VI *infra* for such re-allotment.

(*e*) To receive and consider the reports of the District Scholarship Committees upon the working of the scheme in each district.

(*f*) To draw and submit to Government *before the end of March in each year* an annual report upon the working of the entire scheme throughout the State.

V. The following principles shall be adopted for the allotment of scholarships :—

1. The total number of scholarships allotted to the different grades as per Appendix I shall be first divided among the different communities or groups of communities in proportion to their total population in the State. The distribution made according to this rule is shown in Appendix II.

2. The scholarships allotted to each group or community as stated above shall be sub-divided among the several districts and taluks on the basis of the total attendance of the number of pupils of that community or group in the respective grades of education in the previous year in each unit area. A table showing the allotment made according to this calculation is shown in Appendix III.

3. In the distribution of the scholarships allotted to a group of communities, the scholarships awarded to each community within that group, should be in proportion to its population, provided there are applicants to that extent.

VI. The following principles shall be adopted for re-allotting the scholarships :—

1. If any scholarships remain unutilised in any grade in a district, they shall be first made available to pupils of the same grade and of the same "community" or group in the other districts in which the allotments fall short of the number required, the distribution being made proportionately to the needs of each district.

2. If after such re-allotment scholarships of any one grade remain unutilised, they shall be granted to pupils of the same community or group in other grades in any district, each lower grade being taken after the requirements of the one immediately higher are satisfied.

3. Those scholarships which still remain unutilised even after transfer to other districts may be given to other communities or groups of communities in the order of their illiteracy or may lapse to Government.

VII. All students to whom Backward Class Scholarships are awarded shall be considered free students, and fees collected from them till the date of award shall be drawn on refund bills from the Treasury and refunded to them. These free-studentships shall be in addition to the 20 per cent usually allowed in all Government and Aided Institutions.

N.B.—These scholarships shall be awarded to boys only and none but regular students in any institution in the State and Mysoreans by birth or domicile are eligible. No scholarship awarded after December shall be considered valid.

VIII. (1) The work of the *Ad-Hoc* Scholarship Committees should be done by Head Masters with their ordinary staff, and no separate clerical allowance will be given for this purpose.

(2) The following procedure shall be adopted for the drawing of these scholarships:—

(i) The scholarships of all grades in respect of students in Government Institutions shall be drawn by the Head Masters of those institutions on scholarship bill forms and disbursed to the students after their acknowledgments are taken in the acquittance roll.

(ii) In the case of Aided Institutions, the scholarships shall be drawn on scholarship bills signed by the Head Masters of institutions and countersigned by the Inspecting Officers in direct charge of the schools.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 411—*B. II, dated* 17*th May* 1940.

Subject—Authorising Treasuries to receive collection towards the Mysore War Relief Fund when remitted by Amildars.

To

All Treasury Officers.—

According to Circular No. 407—B. II, dated the 1st—3rd April 1940, published on pages 489-490, Part III—2 of the *Mysore Gazette*, dated the 18th April 1940, the Treasuries were authorised to receive collections towards the Mysore War Relief Fund and Allied Funds, when remitted by Deputy Commissioners of Districts and Presidents of Municipalities. As the Secretary, Mysore War Relief Fund, now desires that collections remitted by Amildars also may be arranged to be received at the Treasuries, all the Treasuries are authorised to receive collections towards the above named funds remitted by the Amildars also.

T. T. SREENIVASAN,
Comptroller (in-charge).

Circular No. 412—*B. II., dated* 27—28*th May* 1940.

Discontinuing the arrangement of sending challans to the Treasuries along with Receipt Orders for Court Attachment recoveries in the Judicial Department.

To

1. All Treasury Officers.
2. All Judicial Officers.

According to the existing practice, whenever there are deductions in bills towards attachments received from Courts situated in the same station, the Treasuries send the deduction statements to the concerned Courts, and on receipt of formal Receipt Orders and challans from them, Receipt Orders will be returned to the Courts, with the certificate of credit thereon, retaining the challans in the Treasury in support of credits to Judicial Deposits. In order to reduce work all round, the Courts may, in future, return the deduction statements to the Treasuries, noting thereon the Receipt Order numbers, instead of preparing separate challans therefor as was being done hitherto. Such deduction statements themselves will be regarded as challans by the Treasuries.

(Financial Secretary's letter No. Fl. 6724, dated 6th May 1940).

M. VIRARAJA URS,
Comptroller.

Draft Circular in connection with the Refund.

It is observed that members of the public are remitting money to the treasury towards the cost of books, without ascertaining whether the books are available in the Book Depot and finding out the exact cost of the book with the result that the money paid by them has had to be refunded to them and unncessary work has devolved on the office and the treasuries.

Lists of books (English and Kannada) which are newly printed and are ready for sale in the Book Depot are being published in the Gazette, every month. The lists are also available with all the Government Book Selling Agents and the Government Branch Book Depot-Keepers in the State.

The public are therefore requested to refer to the said lists or make enquiries at the Central Book Depot, Bangalore, in the matter, before they remit money to the treasury.

It is also noticed that in some cases applications for refunds have been received in manuscript forms. As refunds are arranged in separate printed forms prescribed, applications for refund may be kindly made only in the prescribed printed forms so as to comply with audit requirements.

Circular No. 412—*B. II., dated* 27—28*th May* 1940.

Discontinuing the arrangement of sending challans to the Treasuries along with Receipt Orders for Court Attachment recoveries in the Judicial Department.

To

1. All Treasury Officers.
2. All Judicial Officers.

According to the existing practice, whenever there are deductions in bills towards attachments received from Courts situated in the same station, the Treasuries send the deduction statements to the concerned Courts, and on receipt of formal Receipt Orders and challans from them, Receipt Orders will be returned to the Courts, with the certificate of credit thereon, retaining the challans in the Treasury in support of credits to Judicial Deposits. In order to reduce work all round, the Courts may, in future, return the deduction statements to the Treasuries, noting thereon the Receipt Order numbers, instead of preparing separate challans therefor as was being done hitherto. Such deduction statements themselves will be regarded as challans by the Treasuries.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 412—*B. II., dated* 27—28*th May* 1940.

Discontinuing the arrangement of sending challans to the Treasuries along with Receipt Orders for Court Attachment recoveries in the Judicial Department.

To

1. All Treasury Officers.
2. All Judicial Officers.

According to the existing practice, whenever there are deductions in bills towards attachments received from Courts situated in the same station, the Treasuries send the deduction statements to the concerned Courts, and on receipt of formal Receipt Orders and challans from them, Receipt Orders will be returned to the Courts, with the certificate of credit thereon, retaining the challans in the Treasury in support of credits to Judicial Deposits. In order to reduce work all round, the Courts may, in future, return the deduction statements to the Treasuries, noting thereon the Receipt Order numbers, instead of preparing separate challans therefor as was being done hitherto. Such deduction statements themselves will be regarded as challans by the Treasuries.

(Financial Secretary's letter No. Fl. 6724, dated 6th May 1940).

M. VIRARAJA URS,
Comptroller.

Circular No. 413—*B. II, dated* 8*th June* 1940.

Regarding the correct noting of Policy Numbers and amounts of premia in the Insurance deduction statements attached to pay bills.

To

All Drawing Officers.

The Secretary, Mysore Government Life Insurance Department has intimated in his letter No. G1. 491, dated the 1st June 1940, that in the monthly statements of premiums deducted from pay bills, the policy numbers are noted either wrongly or not at all in most cases, that the amounts deducted for premia on account of policies in the Official and the Public Branches, are clubbed together in several cases and shown either in the Official Branch or the Public Branch column at random, without necessary details and that such omissions have led to much inconvenience, delay and misclassification in the extraction and compilation of accounts in his office. It is, therefore, requested that the particulars of the Policy Numbers and the amounts deducted towards each policy in each of the Branches may kindly be shown correctly and separately in the proper column of the deduction statements and the bills in future.

In cases of transfers, the departments or places from which the insured persons were transferred may invariably be noted in the deduction statement attached to the first pay bill of the new office and containing the claim on account of the pay of the transferred official.

Comptroller,

Circular No. 413—*B. II, dated* 8*th June* 1940.

Regarding the correct noting of Policy Numbers and amounts of premia in the Insurance deduction statements attached to pay bills.

To

All Drawing Officers.

The Secretary, Mysore Government Life Insurance Department has intimated in his letter No. G1. 491, dated the 1st June 1940, that in the monthly statements of premiums deducted from pay bills, the policy numbers are noted either wrongly or not at all in most cases, that the amounts deducted for premia on account of policies in the Official and the Public Branches, are clubbed together in several cases and shown either in the Official Branch or the Public Branch column at random, without necessary details and that such omissions have led to much inconvenience, delay and misclassification in the extraction and compilation of accounts in his office. It is, therefore, requested that the particulars of the Policy Numbers and the amounts deducted towards each policy in each of the Branches may kindly be shown correctly and separately in the proper column of the deduction statements and the bills in future.

In cases of transfers, the departments or places from which the insured persons were transferred may invariably be noted in the deduction statement attached to the first pay bill of the new office and containing the claim on account of the pay of the transferred official.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 413—*B. II, dated* 8*th June* 1940.

Regarding the correct noting of Policy Numbers and amounts of premia in the Insurance deduction statements attached to pay bills.

To

All Drawing Officers.

The Secretary, Mysore Government Life Insurance Department has intimated in his letter No. G1. 491, dated the 1st June 1940, that in the monthly statements of premiums deducted from pay bills, the policy numbers are noted either wrongly or not at all in most cases, that the amounts deducted for premia on account of policies in the Official and the Public Branches, are clubbed together in several cases and shown either in the Official Branch or the Public Branch column at random, without necessary details and that such omissions have led to much inconvenience, delay and misclassification in the extraction and compilation of accounts in his office. It is, therefore, requested that the particulars of the Policy Numbers and the amounts deducted towards each policy in each of the Branches may kindly be shown correctly and separately in the proper column of the deduction statements and the bills in future.

In cases of transfers, the departments or places from which the insured persons were transferred may invariably be noted in the deduction statement attached to the first pay bill of the new office and containing the claim on account of the pay of the transferred official.

H. V. SRIKANTIAH,
Comptroller,
(in charge).

Draft Circular in connection with the Refund.

It is observed that members of the public are remitting money to the treasury towards the cost of books, without ascertaining whether the books are available in the Book Depot and finding out the exact cost of the book with the result that the money paid by them has had to be refunded to them and unncessary work has devolved on the office and the treasuries.

Lists of books (English and Kannada) which are newly printed and are ready for sale in the Book Depot are being published in the Gazette, every month. The lists are also available with all the Government Book Selling Agents and the Government Branch Book Depot Keepers in the State.

The public are therefore requested to refer to the said lists or make enquiries at the Central Book Depot, Bangalore, in the matter, before they remit money to the treasury.

It is also noticed that in some cases applications for refunds have been received in manuscript forms. As refunds are arranged in separate printed forms prescribed, applications for refund may be kindly made only in the prescribed printed forms so as to comply with audit requirements.

FINANCIAL DEPARTMENT.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 415—*B-II, dated the* 28*th June* 1940.

To—All Treasury Officers.

Preparation of weekly schedules of credits relating to the War Relief Fund.

According to this office Circular No. 407 B-II, dated the 1st/3rd April 1940 the Treasuries are required to prepare a monthly schedule of credits relating to the War Relief Fund, *in triplicate* and to forward one copy thereof to this office and another to the Treasurer of the Mysore War Relief Fund. With a view to ensure that the collections are remitted to the **Treasurer of the Fund as early as possible, all the Treasuries** will hereafter prepare **Weekly** schedules instead of monthly schedules as heretofore. A "Nil" statement should invariably sent when there are no collections during any week. The weekly schedules should be prepared *in triplicate*, of which one copy together with the relative challans, should be sent to this office on the last working day of each week, the duplicate copy retained as the office copy and the triplicate copy sent to the District Treasury on the last day of each week. The District Treasury will prepare a consolidated statement monthly, on the basis of the copies of the weekly returns received from the Taluk Treasuries and send it to the Treasurer of the War Relief Fund for his information. An Abstract of the collections received towards each of the sub-heads under the War Relief Fund will be sent to this office by the District Treasury, each month, along with the Cash Account.

For the purposes of this circular, each month should be divided into four weeks, as noted below. To avoid difficulties in the reconciliation of figures, etc., it is absolutely essential that the Treasuries should strictly adhere to the division given below. The dates from and to which the transactions are recorded may also be noted on each schedule (*e.g.*, 1st to 7th etc.),

I Week 1st to 7th (inclusive)
II Week 8th to 14th (inclusive)
III Week 15th to 21st (inclusive)
IV Week 22nd to the end of the month.

It is noticed from the schedules received so far that some of the Treasuries are not allocating the collections towards the several sub-heads included under the General Head "The War Relief Fund" and intimated in Circular No. 407 B-II, dated 1st—3rd April 1940 but are crediting the entire collections to the general head referred to above. It is essential that the collections should be allocated to the proper sub-heads, columns for each of which should be opened in the schedules. Treasury Officers are requested to pay their personal attention to this matter.

H. V. SRIKANTIAH,
Comptroller (In-charge).

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 415—*B-II, dated the* 28*th June* 1940.

To—All Treasury Officers.

Preparation of weekly schedules of credits relating to the War Relief Fund.

According to this office Circular No. 407 B-II, dated the 1st/3rd April 1940 the Treasuries are required to prepare a monthly schedule of credits relating to the War Relief Fund, *in triplicate* and to forward one copy thereof to this office and another to the Treasurer of the Mysore War Relief Fund. With a view to ensure that the collections are remitted to the **Treasurer of the Fund as early as possible, all the Treasuries** will hereafter prepare **Weekly** schedules instead of monthly schedules as heretofore. A "Nil" statement should invariably sent when there are no collections during any week. The weekly schedules should be prepared *in triplicate*, of which one copy together with the relative challans, should be sent to this office on the last working day of each week, the duplicate copy retained as the office copy and the triplicate copy sent to the District Treasury on the last day of each week. The District Treasury will prepare a consolidated statement monthly, on the basis of the copies of the weekly returns received from the Taluk Treasuries and send it to the Treasurer of the War Relief Fund for his information. An Abstract of the collections received towards each of the sub-heads under the War Relief Fund will be sent to this office by the District Treasury, each month, along with the Cash Account.

For the purposes of this circular, each month should be divided into four weeks, as noted below. To avoid difficulties in the reconciliation of figures, etc., it is absolutely essential that the Treasuries should strictly adhere to the division given below. The dates from and to which the transactions are recorded may also be noted on each schedule (*e.g.*, 1st to 7th etc.),

I Week 1st to 7th (inclusive)
II Week 8th to 14th (inclusive)
III Week 15th to 21st (inclusive)
IV Week 22nd to the end of the month.

It is noticed from the schedules received so far that some of the Treasuries are not allocating the collections towards the several sub-heads included under the General Head "The War Relief Fund" and intimated in Circular No. 407 B-II, dated 1st—3rd April 1940 but are crediting the entire collections to the general head referred to above. It is essential that the collections should be allocated to the proper sub-heads, columns for each of which should be opened in the schedules. Treasury Officers are requested to pay their personal attention to this matter.

H. V. SRIKANTIAH,
Comptroller (In-charge).

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 415—*B-II, dated the* 28*th June* 1940.

To—All Treasury Officers.

Preparation of weekly schedules of credits relating to the War Relief Fund.

According to this office Circular No. 407 B-II, dated the 1st/3rd April 1940 the Treasuries are required to prepare a monthly schedule of credits relating to the War Relief Fund, *in triplicate* and to forward one copy thereof to this office and another to the Treasurer of the Mysore War Relief Fund. With a view to ensure that the collections are remitted to the **Treasurer of the Fund as early as possible, all the Treasuries** will hereafter prepare **Weekly** schedules instead of monthly schedules as heretofore. A "Nil" statement should invariably sent when there are no collections during any week. The weekly schedules should be prepared *in triplicate,* of which one copy together with the relative challans, should be sent to this office on the last working day of each week, the duplicate copy retained as the office copy and the triplicate copy sent to the District Treasury on the last day of each week. The District Treasury will prepare a consolidated statement monthly, on the basis of the sopies of the weekly returns received from the Taluk Treasuries and send it to the Treaturer of the War Relief Fund for his information. An Abstract of the collections received owards each of the sub-heads under the War Relief Fund will be sent to this office by the District Treasury, each month, along with the Cash Account.

For the purposes of this circular, each month should be divided into four weeks, as noted below. To avoid difficulties in the reconciliation of figures, etc., it is absolutely essential that the Treasuries should strictly adhere to the division given below. The dates from and to which the transactions are recorded may also be noted on each schedule (*e.g.*, 1st to 7th etc.),

I Week 1st to 7th (inclusive)

II Week 8th to 14th (inclusive)

III Week 15th to 21st (inclusive)

IV Week 22nd to the end of the month.

It is noticed from the schedules received so far that some of the Treasuries are not allocating the collections towards the several sub-heads included under the General Head "The War Relief Fund" and intimated in Circular No. 407 B-II, dated 1st—3rd April 1940 but are crediting the entire collections to the general head referred to above. It is essential that the collections should be allocated to the proper sub-heads, columns for each of which should be opened in the schedules. Treasury Officers are requested to pay their personal attention to this matter.

Comptroller (In-charge.)
